Our Collections – Michigan Pay Cheques

We have a collection of 345 Pay cheques which were issued by various mines in the state of Michigan and drawn on various banks. These cheques (cancelled!) are dated from 1887 to 1922.

The mines and banks were:

1. Trimountain Mining Company. 160 cheques drawn on the National Bank of Houghton and 33 cheques drawn on the Houghton National Bank
2. Copper Range Company. 12 cheques drawn on the Houghton National Bank
3. Champion Copper Company. 71 cheques drawn on the South Range Bank
4. Baltic Mining Company. 2 cheques drawn on the Houghton National Bank and 61 cheques drawn on The National Bank of Houghton.
5. Atlantic Mining Company. 3 cheques drawn on The National Bank of Houghton and 1 drawn on the Houghton National Bank.

The identity of the payee has not been reconciled with our migration records. We there do not know if all these were Cornish migrants.
IF YOU HAVE ANY IDEAS LET US KNOW!!

We set out below the names and other details found on the cheques.
